C A B E R N E T S AU VI G N O N C A LI FORNIA	2 0 1 6 PINOT NOIR CALIFORNIA	DXM Cabernet Sauvignon-2016 Toasty and savory black fruit on the nose, with super-ripe blackberries and black cherries on the palate. So much vibrant fruit for the price, with sweet mint and toasty vanilla notes accenting the lush fruit. Really long on flavors, and not a rough edge to be found. This is a Napa cab in all but name, and drinks like twice the price.	12/cs	\$ 20.95	
0 <u>0</u> 0 0		DXM Pinot Noir Napa- 2016 This is a decent value in California pinot, with more complexity and depth than expected at the price. So many are overlty fruity and almost sweet. This strikes a leaner, drier and more savoury pose with cherry/strawberry fruit nicely meshed with earthy and herbal notes. It is mid-weight, balanced with fine tannin. Very good length.	12/cs	\$ 20.95	5
		DXM Chardonnay, Santa Maria Valley- 2016 Luminous, with orchard fruit on the nose. A bite of crisp apples and pears at first, with a dash of vanilla for good measure. With time, honey-drizzled mango hints emerge, lending a welcome richness to the whole. Lush on the palate and long on the finish, this is a pure California chard in spades. Hoopes Family Vineyard	Oakville, and Napa Valley, California	Win	emaker: Anne Vawter
	Hoopes wines are classic cabs that capture the pure relationship between grape-grower and winemaker with an old-world-meet new-world style profile. The philosophy is simple: minimize after-harvest manipulation of the grape so that you can enjoy the most important ingredient in its true form. This is true grower-made wine. Our Oakville vineyards are direct neighbours with Harlan, Bond, Cardinale & Heitz Martha's Vineyard.	S-	HOOPES

HOPPL	Hoopes Genny's Carneros Chardonnay-2015 Jen has been working with Genny's Vineyard for several vintages, and believes it is one of the most exceptional vineyards that she has worked with. Genny's Vineyard has been farmed by a local family for decades, and is named after the family's maternal grandmother. Carneros is a very difficult area to farm. It is a cooler area, with maritime influences so it is windy with thir soils. The vineyard is very low yield, with small berry size and slow grape development. These tough farming conditions nevertheless build distinctive character.	12/cs	\$ 49.95 93 Wine Align

Brut Regence Brimoncourt Champagne- 80% of the blend is Chardonnay from the south of Cote des Blancs, which is supposed to yield more flore the mineral style of Chardonnay from the north. This is the signature blend of this ambitious well-backer very light nose. Flirtatius texture and not a trace of astringency nor excess acidity. Brisk and appetising. Vinos Des Terrunos	 Rioja, Spain Organic Vinos Terrunos was launched in 2003, but the Gilbert family has been associated with raising the profile of natural winemaking in Spain since 1980. Zaumau Tempranillo Graciano- Rioja Spain Modest intensity on the nose, but the palate is vibrantly flavoured, punchy and juicy, with plenty of fresh red and black berry fruit and the firm acid cut of graciano. I like the fine-grained but firm tannins and the salty acids; length is good to very good. All in all, this is a fine and fresh, fruity and clean, contemporary Rioja, made from organic grapes, with genuine, honest appeal. John Szabo -90 pts Wine Align 	12/cs	\$ 22.95	90 Wine Align

Bodegas Xenysel	Jumilla, Spain Organic Producer Xenysel is a family owned organic winery from Jumilla producing powerful, full bodied, well balanced wines. These wines regularly make 'best value' lists. Monastrell aka Mouvedre is the force in the blends and in most cases is the only variety used. The resulting wines are similar to those of the Southern Rhone and Bandol but with a little more ripeness & a little less rusticity.			
	Xenysel Pie Franco 2017- 14.5 % This wine clearly offers excellent value for money. Powerful, focussed peppery, smoky nose and a plump succulent palate – appealing and beautifully balanced. A rich and quite delicious red	12/cs	\$ 15.95	91 Decanter
Casa Maguila	Toro, Spain			
TONO:	Quizas Reserva-2012 Now comfortably resolved at 8 years of age there is some raisin inflection from this tinto toro (tempranillo) but time has rendered the beast tamed and friendly. It's a rich and fruity red, of some fresh plum but more so dried with quince, guava and persimmon. It's like citrus but concentrated and leathery, certainly quite interesting. Just enough acidity is employed to maintain balance	12/cs	\$ 23.95	91 Robert Parker

Portugal				
Mirus	MIRUS is a brand of white wines from Portugal whose identity embodies the essence of Minho, one of the most beautiful and richest regions of the world.			
	Mirus Loureiro-2019 Vinho Verde A fine and fragrant, fresh green fruit and white flower-scented Vinho Verde, a fairly rare pure loureiro, one of the more aromatic varieties in the regional mix. There's a touch of CO2 on the palate to lift the ensemble, allied to tart, lemony-limey acids. Decent length. Crisp, mostly dry, refreshing white wine for current enjoyment.	6/cs	\$16.95	arrives July 2
	Mirus Alvarinho-2017 Mirus makes rich, salty and mineral use of varietal alvarinho from the northern limits of Vinho Verde. Monção e Melgaço is alvarinho territory, just south of the Minho River and this is exactly what to expect from the grape and the granite inlaid soils from where it comes. Really crisp, not overly acid driven and with a right, proper and correct linger. Really clean and striking alvarinho. Drink 2019-2022. Tasted January 2019.	12/cs	\$22.95	91 Wine Align

MARTIN A	Finca Martha Malbec-2019 This shows generous, typical malbec mulberry fruit inset with a touch of meatiness, pepper and herbs. It is quite full bodied, dense, smooth and sweet-edged mid-palate with fine tannin and a slightly sour-edged finish. Lots of dusty Mendoza sage. Very good length. Well balanced.	12/cs	\$ 16.95	91 points T. Atkin

Many malbecs are fruit heavy and almost simple, this one builds in fine savoury/sage notes amid the easy oak spice, plus a slightly meaty note. 	This is a lovely, indeed exciting wine from Western Australia. Very well focused and harmonized. Loved the penetrating, fine aromas of blueberry jam, pepper, vague evergreen and background oak. It is medium- full bodied, fairly dense and smooth with a firm acid core, buffed tannin and warming alcohol. There is a sense of minerality on the finish as well. Very well rendered and huge value- 92 points, Wine Align, July 2020
